Accreditation — Dominican University is accredited by the Higher Learning Commission as a baccalaureate and master's degree granting institution.

All credit is recorded in semester hours.

Undergraduate — Grading System Fall 1998 to the Present:

Course Classification: Courses numbered 100 up to 500 carry undergraduate credit and are applicable to the degree; courses numbered below 100 do not count towards the degree.

A = Excellent 4.0; A- = Excellent 3.67; B+ = Good 3.33; B = Good 3.0; B- = Good 2.67; C+ = Satisfactory 2.33; C = Satisfactory 2.0; C- = Satisfactory 1.67; D = Poor 1.0; F = Failure 0.0.

The grade of Pass (P) or Satisfactory (S) earned in a course indicates that the hours for the course have been earned and applied toward the degree. The grade of Incomplete (I) is recorded when a student has done work of a passing grade in a course but has not completed the work.

The grade of Withdrawal (W) is recorded automatically for all courses dropped from the second through the 10th week of the semester (prior to Fall 2010, W grades were not recorded until the third week of the term; until 1993, the grade of W or WF was recorded for courses dropped after the fifth week of the semester based on course work to date).

The grade Not Reported (NR) is recorded when a faculty member has not been able to submit grades to the registrar by the appointed time.

The grade of Unofficial Withdrawal (WU) is recorded for a student who never attended any courses through the second week or who stopped attending all courses by the end of the sixth week of the semester, and who failed to officially withdraw and who failed to respond to inquiries from the Office of the Registrar.

The grade of Withdrawal for Non-Attendance (WW) is recorded for a student who either never attended a course for which the student registered or who ceased attending the course. The student failed to officially withdraw from the course.

The grade of Administrative Withdrawal (WX) is recorded for a student who has had to withdraw due to serious illness or other extraordinary circumstances. This grade requires the written approval of the dean of the college.

The No Credit (NC) is an option only for the removal of an incomplete grade. The grade of In Progress (IP) is recorded when a course spans more than one semester, and a grade cannot be awarded until the course is completed.

The cumulative grade point average is calculated by dividing the quality points earned by the semester hours attempted. No quality points are awarded for F, AU, I, P, S, W, WF, NC, WU, WW, WX, IP and NR grades. The letter "R" following a grade notation indicated a repeated course: the student previously enrolled in the course and received a grade. If credit was earned in the most recent attempt, and previously-awarded credit for that course has been removed from the term and cumulative totals.

The symbol * after a course means that the course has since been repeated and the original grade was forgiven; the associated quality points and GPA hours are not included in GPA calculations.

Fall 1971 to Summer 1977:

Credit hours were reflected in units: 1 unit = 4 semester hours.

The grading system was as follows: A = 3 points per unit; B = 2 points per unit; C = 1 point per unit; D and F = 0 points per unit. The average was computed by dividing grade points by units attempted excluding those units earning P grades (i.e., the average included only those courses in which letter grades were earned).

Prior to Fall 1971:

Grade points were awarded per semester hour as follows: A = 3 points; B = 2 points; C = 1 point; D and F = 0 points.

Graduate Schools

Course Classification: Courses numbered 500 and above are graduate level courses carrying graduate credit.

Current Grading System — The following grading system is in effect for all graduate school; grade definitions are the same as those used for undergraduates (except as noted). Historical differences are noted below.

A = 4.0; A- = 3.67; B+ = 3.33; B = 3.0; B- = 2.67; C+ = 2.33; C = 2.0; C- = 1.67; F = 0.0.

I = Incomplete; NC = No Credit; AU = Audit; IP = In Progress; The grade of Withdrawal (W) is recorded automatically for all courses dropped from the third through the 10th week of the semester; P = Pass; S = Satisfactory; WX = Administrative Withdrawal; NR = Not Reported; WU = Unofficial Withdrawal; WW = Withdrawal for Non-Attendance.

The grade of Pass (P) or Satisfactory (S) earned in a course indicates that the hours for the course have been earned and applied toward the degree.

Credit is recorded in semester hours.
